An **AMERICAN** Source For Premier and Innovative Fasteners and Anchors

Solar and Extreme Weather Nylon 12 Cable Ties

**[CONTRACTOR
APPROVED]**

- Specially formulated for use in solar and other extreme environmental applications.
- Molecularly designed for solar applications to withstand the harsh rays of the sun and corrosive outdoor elements.
- Low water absorption and density maintains stability.
- Resilient in fluctuating temperatures.
- Ideal for galvanized steel surface contact.
- Chemical resistant and insensitive to stress cracking.
- Smooth edges eliminates abrasion damage.
