An **AMERICAN** Source For Premier and Innovative Fasteners and Anchors

304 Stainless Steel

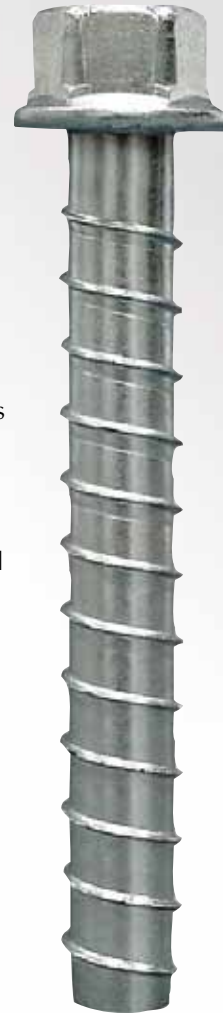

Hex Head Large Diameter Concrete Screw Anchor

Innovative carbon-steel thread effectively cuts the concrete while significantly limiting the amount of carbon-steel in the anchor.

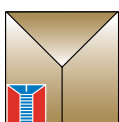

Stainless-Steel Hex Head Large Diameter Concrete Screw Anchors prevents rust-related concrete failure and corrosive expansion that can crack the concrete adjacent to the edge.

[CONTRACTOR APPROVED]

Serrated teeth on the tip of the screw anchor facilitate cutting and reduce installation torque.
